RE: Support SB 407 “Maryland Open Government Act”

Dear Chair Klausmeier and members of the Committee:

The Maryland League of Conservation Voters (LCV) is pleased to join with other conservation, open government, and advocacy groups in urging your support of support SB 407 Maryland Open Government Act.

For over 30 years, Maryland LCV has advocated for sound conservation policies, worked to get pro-environment candidates elected and held elected officials accountable for their votes and actions with our legislative scorecard. In doing so, our board and staff have encountered many obstacles that have halted our ability as well as the general public’s access to engage in the legislative process.

Again, this legislation would make our mission of protecting Maryland’s air, land, and water more effective and give citizens better access to the legislative process.

We wish to thank Delegate King for her leadership, the committee for its consideration and respectfully request a favorable report.

Cindy Schwartz
Executive Director
