

2020 Winter Internships

Maryland LCV and LCV Education Fund are Maryland's leading statewide environmental advocacy organizations. We work in Annapolis during the general assembly to pass pro-conservation legislation and engage conservation minded voters throughout the state on Election Day and beyond to hold elected officials accountable.

The internships begin on a rolling basis and end around May 15th. The internship is 10-20 hours a week. Occasional trips to Annapolis may be required. Interns must have reliable transportation and access to the internet and attend all three seminars.

Some evening and weekend hours are required to attend/ staff events. Candidate must be comfortable on the phone, have strong writing skills and the ability to work independently.

To apply, please send cover letter and resume to info@mdlcv.org - no calls please
