

# MARYLAND LEAGUE OF CONSERVATION VOTERS

## Hot List WEEK of January 28, 2019

The Maryland League of Conservation Voters is pleased to present the "Hot List" - a detailed list of environmental legislation moving through the Maryland General Assembly. Usually, our volunteers will deliver the Hot List to your office every Tuesday; it will also be emailed to your office. We hope you find this weekly communication helpful and instructive as you tackle important environmental bills this session. If you have any questions, please contact Kristen Harbeson at [kharbeson@mdlcv.org](mailto:kharbeson@mdlcv.org) or 410-280-9855, extension 202.

Maryland League of Conservation Voters distributes our "hotlist" every week, to make sure you know the bills that we are tracking, where they are in the process, and (most importantly) what the environmental position is. Maryland LCV also produces a scorecard at the end of every legislative Session. Scores are drawn from all public record votes (Committee, Floor, Amendment) on every bill that we are tracking.

**While not every bill is scored, any bill on our hotlist, or any vote that we communicate with you about by e-mail or through this Hotlist may be scored.**

If you would like a bill considered for inclusion on the Hotlist, please contact Kristen Harbeson at [kharbeson@mdlcv.org](mailto:kharbeson@mdlcv.org)

## Maryland House of Delegates

### Appropriations Committee

<b>Title:</b>	HB0100/SB0125 – <a href="#">Budget Bill (Fiscal Year 2020)</a>
<b>Summary:</b>	We will oppose rollbacks to the legislative legacy of healthy air, clean water, and unpolluted lands. We must remain vigilant in protecting key environmental programs such as Program Open Space, the Chesapeake and Atlantic Coastal Bay Trust Fund, and the Bay Restoration Fund, as well as critical resources needed for enforcement and program implementation at the Departments of Environment, Agriculture, Transportation, Planning, Natural Resources and Energy.
<b>Status:</b>	First Reading – Appropriations
<b>Position:</b>	Monitor
<b>Sponsor:</b>	Speaker/President (by request of the Administration)

## Maryland Green Champions Award

Maryland is fortunate to have a legislature full of supporters for strong environmental legislation. Every year, Maryland LCV rewards these elected officials with high marks on our annual legislative scorecard. These marks, however, don't always allow us to tell the full story of our greatest champions: the Delegates and Senators whose annual scores don't truly reflect their leadership on environmental issues.

This is why Maryland LCV created the Maryland Green Champion Award, to showcase and celebrate the legislators whose leadership rises above and beyond their voting record. This high honor will be awarded each year to Delegates and Senators who meet the following standards:

- 100% score in the previous year
- Lifetime scores since 2003 (or current and previous two legislative terms) above 95%
- Primary sponsor for at least one major LCV legislative priority in previous three years.
- Not supporting LCV opposed legislation on Hot List during that awards legislative session.
